Hotel & Quinta

NEW YEAR'S EVE 2022-2023

Ventozelo Hotel & Quinta celebrates Réveillon 2022/2023

At Quinta de Ventozelo we are used to warmly welcoming anyone that arrives. This unique and special date is no exception. Here you can take your time to rest, but also to explore and savour the local gastronomy brought to your table, with regional flavors, based on the products of our Quinta. The dishes, occasionally reinvented in their presentation and connection, gain distinction when paired with the Douro and Port wines of Quinta de Ventozelo.

Accept our invitation to come and experience the Douro in a single estate.
